Bonnie North, Deputy Leader of the Green Party of Ontario, is an activist, nutritional consultant and life-long learner, dedicated to working to create awareness and change in environmental, food security and sovereignty initiatives. Bonnie holds certificates in Sustainable Urban Agriculture, Sustainable Urban Horticulture, Civic Ecology and The Challenges of Global Poverty. Since 2015, as an Al Gore Climate Reality Leader, she has shared the lessons of Climate Reality to audiences across Barrie-Innisfil. Bonnie is a member of Barrie's Urban Pantry, a food security initiative establishing a community food centre and an urban agriculture strategy for Barrie.
